Universal Pre-Kindergarten (UPK): The 2026-2027 UPK reimbursement rates have not been published yet, so we are currently using the 2025-2026 UPK reimbursement rates below. We will contact any families who qualify for UPK with their adjusted tuition once we receive the new rates.

Colorado will reimburse Boulder Journey School in the amount of \$4,967.97 (12-14 hours/week) or \$6,263.96 (16+ hours/week) as its contribution to your scheduled hours.
 Your August through May tuition will be reduced by the state's prorated contribution amount. Summer tuition rates will not be affected as UPK is a 10-month program.

If space is available, there are different part-time and full-time scheduling options in addition to those listed below. Please contact Christi for scheduling requests and associated rates.
