Universal Pre-kindergarten (UPK): The 2024-2025 UPK reimbursement rates have not been published yet, so we are currently using the 2023-2024 UPK reimbursement rates

Colorado will reimburse Boulder Journey School in the amount of \$4,842.16 (12-14 hours/week) or \$6,050.75 (16+ hours/week) as its contribution to your scheduled hours, and your August through May tuition will be reduced by the state's prorated contribution amount. Summer tuition rates will not be affected as UPK is a 10-month program.

Note: There are many different part-time and full-time scheduling options as long as space is available.

The tuition chart is just an example of some of the offerings. Please contact Christi Ogradnick for scheduling requests and associated rates.
